To Whom It May Concern:

I've had the pleasure of knowing and working with Kelli Rembert for the past five years. Kelli has provided creative/design services as well as digital marketing for both the Black Pages and Black Expo events throughout South Carolina.

Ms. Rembert has consistently demonstrated excellent work with an attention to detail. She is time sensitive, accessible, open to suggestions, provides feedback and has a keen understanding of "brand" management – making certain the Black Pages and Black Expo brands are presented in manner that is both appealing and protects their integrity.

Her commitment to provide excellent customer service compels me to write this letter in support of her efforts. Quite simply, we've used multiple firms over the past 28 years however her work is unparalleled.

As a licensed AKA Vendor with my other business and one who understands the protocol standards set by the National office, I believe without question Kelli Rembert is exactly the type of business owner that would serve the needs of Gamma Nu Omega!

Should there be any questions, I may be reached at 803-254-6404.

Sincerely,

My fellow chapter members:

Please allow this letter to serve as my wholehearted recommendation of The Web Bar, LLC as a service provider for Pink Ice 2020. I have utilized several marketing, web design companies over my professional life, as necessary, as none has come close to the service of The Web Bar's designs.

Kelli Rembert, the owner, embodies professionalism at every juncture. She is punctual, professional and the quality of her work product is unparalleled. I have reached the point now, with my busy schedule that Ms. Rembert reminds me of the deadlines I need to keep to stay on task instead of the other way around. I've asked her to keep me on task because she is just that faithful and committed.

I could write an epistle as to Web Bar Designs, but suffice it to say, my recommendation is strong. Should you require additional information, please do not hesitate to contact me.

Sisterly yours,

Amelia B. McKie

RE: Letter of Recommendation  
The Web Bar, LLC

To Whom It May Concern:

Please accept this Letter of Recommendation and reference for The Web Bar Design, LLC; Kelli Rembert. As a female entrepreneur who has been in business for almost 20 years as an Int'l Image & Style Consultant, I decided to rebrand my business two years ago. The transition and overwhelm of redoing my collateral was frustrating. After speaking to a few designers and perusing the web I felt frustrated. I spoke to the principal of The Web Bar, LLC about my vision and was assured the vision I had for my new brand could be created beautifully and luxuriously as I desired.

As a style person, I didn't want the "cookie cutter" logo. I had evolved my business into a very intentional luxury brand with a clear target market. Needless to say, I was blown away with the results. I almost couldn't chose from the samples submitted. From the simple, luxurious design of my business card, to a website I am proud to send potential clients to; The Web Bar, LLC surpassed my expectations..

I get so many compliments on all of my business collateral and continue to refer them to the very discerning client. This boutique design firm is for the particular client who isn't interested in the status quo. I highly recommend The Web Bar, LLC for your project consideration. You will not be disappointed. Their commitment to service and quality are simply the highest standards of excellence.

Dear Gamma Nu Omega Pink Ice Planning Committee,

It is my pleasure to recommend Kelli Rembert of The Web Bar, LLC as the graphic designer for the 2020 Pink Ice Gala. I met Ms. Rembert last year when I was in search of a graphic designer to create my personal styling and image consulting website. She is professional and meticulous and patiently worked with me to bring my ideas to life. Her work exceeded my expectations and I am constantly receiving compliments on my logos and website design. The day I launched my website, I gained four new clients and my business continues to grow. I cannot thank Ms. Rembert enough for her assistance.

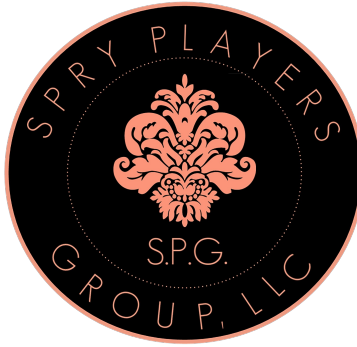

As a former member of Gamma Nu Omega, I am aware of the hard work and dedication of the Pink Ice committee to plan and host this magnificent event. I am confident that the committee and other chapter members will be pleased with Ms. Rembert's professionalism and impeccable work.

Sisterly,

Soror Erin N. Hopkins

To Whom It May Concern:

This letter is to strongly recommend Kelli Rembert of *The Web Bar* as a graphic designer for the 38<sup>th</sup> annual Pink Ice Gala. Last year, I launched my company and I received a referral to use *The Web Bar*. This referral came from another Soror, who utilized *The Web Bar* as well. I have high standards, and am very particular about who I work with. Launching my company was a cumbersome process, and I knew how meticulous I had to be with my branding and image.

Ms. Rembert is extremely professional, competitively priced, and attentive to my needs. I have received so many compliments in regards to my website, logo, and branding. First impressions are everything in my line of work, and with my high level clientele of professional athletes, head coaches, and sports teams – my brand is everything. I am very intentional about supporting minority-owned companies, but not at the expense of the quality of work. She walked me through her entire process, outlined expectations, and was responsive to my questions. She is extremely dignified, and her work exudes that same spirit. Working with Ms. Rembert, I can definitely say I have no regrets. I recommend her to everyone, and would be so proud to see her awarded this project, and be the graphic designer and win this RFQ.

If you want to work with someone who is extremely qualified, dignified, and well-connected – I strongly encourage you to secure the services of Kelli Rembert and *The Web Bar*. Thank you for opening doors for minorities and allowing their talents to shine.

Should you need additional information, please contact the undersigned.
